

To apply for this role, please email your CV to: tech-jobs@mirlimited.com

The Company

MuchBetter is an eWallet app spearheading innovation in payment technology. We specialise in providing the perfect eWallet solution in 185 countries, for now more than 1 million customers.

MuchBetter brings together a team of tenacious thought-leaders, re-imagining the business model of payment services and pushing the boundaries and capabilities of a payment app.

With offices in the UK, the Isle of Man, Spain and Costa Rica, our team is multicultural, and our workspace is a place for creativity, change, innovation and collaboration. We employ people who think outside the box, share ideas without restrictions, take pride in supporting the wider team, and are not afraid to ask questions.

The Role

Excellent opportunity for multiple Java Developers to join a maturing fintech startup (4 years in) building a cutting-edge platform. This is a great time to join the company as we continue to build upon our exciting and award winning product with a great team committed to the continued adoption of an Agile and DevOps culture.

Working with a multi-disciplined team of likeminded individuals you will take responsibility for creating & enhancing micro-services, using best in class technology, for this high-volume financial platform.

Key skillset/Experience:

- Strong commercial Java
- Agile
- DB
- Cloud

Desirable Skillset / Experience

- Ratpack / Quarkus / Micronaut
- Vue.js / React
- Google Cloud & GKE / kubernetes / docker
- MySQL
- Redis
- Microservices

- Financial.

Benefits:

- A highly competitive salary
- Bupa health insurance for you and your family
- Bupa dental insurance for you and your family
- 25 Days annual leave + all bank holidays
- 1 extra day annual leave for your birthday
- Aviva Pension
- Social & celebration events
- Flexible and remote working

The location: Check out this beautiful island and live your dream life on the Isle of Man or we will consider remote workers. See more information about living and working on the IOM at this website www.locate.im
