5.0 Applying for Cards and wearables (fobs, watches and similar) and their pricing and usage

5.1.1 You may apply for Cards and wearables once your Account has been verified (see section 5.1.2). Wearables are available in the EEA area. This list may be amended by us from time to time without prior notice.

5.1.2 In order to apply for a Card or wearable, you will need to "verify" your Account by confirming your

identity and place of residence. We may use third parties to obtain this information, which may also contain credit checks, on our behalf. You agree to us applying reasonable discretion in using and sharing relevant personal data to conduct such identity and verification checks.

5.1.3 If you receive a Card, you must sign it as soon as you receive it.

5.1.4 There is a minimum amount required in your balance before you can order a card or wearable.

5.1.5 We reserve the right to refuse to issue you a Card or wearable at our sole discretion.

5.1.6 The prices of cards and wearables are outlined in the [fees](#) section on our website.

Using your Card or wearable

5.1.7 You can use your Card anywhere where MasterCard® is accepted. You can use wearables wherever contactless is accepted. All Transactions made using your Card and wearable are subject to:

- there being sufficient funds in your Account;
- the Merchant or financial institution being able to verify that you have sufficient funds available in your Account; and
- the terms and conditions of the provider of the ATM or relevant financial institution (in addition to these Customer Terms).

5.1.8 We reserve the right to decline any Transaction at our sole discretion. We shall not be liable in the event that a Merchant refuses to accept your Card or if we do not authorise a Transaction, or we cancel or suspend the use of your Card in accordance with these Customer Terms.

5.1.9 You must not make a Payment or Withdrawal with your Card or wearable which exceeds the funds in your Account. If you cause your Account to go into a negative balance, we will take any steps necessary to enforce any actions against you in accordance with these Customer Terms.

5.1.10 Using your Card or wearable with certain Merchants may result in a "hold" on available funds in your Account. This is most common when dealing with car hire companies and hotels. They may estimate the total sum of money you might spend or for which you require authorisation. This estimate may exceed the amount you eventually spend or are charged. This means that some of the funds on your Account may be held for up to 30 days (or 90 days for car hire companies) and accordingly, you will not be able to spend this sum during this period. We are unable to release such sum without consent from the relevant Merchant, which you must obtain from the Merchant.

5.2 Card or wearable Expiry, Loss and Damage

5.2.1 Your Card is valid for the period stated on the face of the Card, unless its use is cancelled earlier by you or us in accordance with these Customer Terms. Your wearable is valid for 5 years. Transactions will not be authorised once your Card or wearable expire or if they are cancelled.

5.2.2 Upon expiry of your Card or wearable, we will only automatically renew those that have been used within the 12 months prior to expiry. A charge will not be applied if they are automatically renewed.

5.2.3 If you so request, we will replace a Card or wearable which has been lost, stolen or damaged. If your Card or wearable has been lost, stolen or damaged, the first replacement will be issued for free. For further replacement, a fee will apply.

5.2.4 If you find your Card or wearable after you have reported it lost, stolen or damaged, you must inform us immediately.

6.1 To authorise a Transaction, you are required to enter your Account ID Information or your PIN or press a button affirming you consent to the Transaction (some Transactions may require providing your Account credentials and pressing "consent" buttons). You cannot revoke a Transaction after you have consented to it.

- we reasonably believe that you did not give us the instruction;
- we reasonably suspect fraudulent activity;
- your instructions are unclear, incomplete or not in the required form;
- we suspect that that the Customer Terms have been violated;
- we need to do so in order to comply with the Card scheme rules; or
- we are otherwise required to do so by law or any other appropriate regulatory body.

6.3 Merchants may not be able to authorise a Payment if they cannot obtain online authorisation from us (for example, if they are unable to access the internet).

6.4 We will not be able to recover funds sent incorrectly, unless you have a police crime reference number or the consent of the other person involved.

6.5 Transactions are final and are not reversible except in the following circumstances and at our sole discretion:

- where we confirm there has been a Merchant error;
- where there is illegal activity involving your Account; or

You must contact Customer Service Centre without undue delay on becoming aware of any loss, theft, misappropriation or unauthorised use of your Account ID Information. Any undue delay in notifying us may not only affect the security of your Account but may result in you being liable for any losses as a result. If you suspect that your Account was accessed by someone else, you should also contact the police and report the incident.

6.7.2 In the event of an unauthorised Transaction, or a Transaction which has not been executed or has been incorrectly executed by us, you must let us know without undue delay and in any case no later than 13 months after the debit date, by contacting the Customer Contact Centre. If requested to, you must also write to us within seven days to confirm the loss, theft or possible misuse.

6.7.3 Subject to section 13.0, you shall be entitled to a refund in the amount of an unauthorised Transaction or a Transaction incorrectly executed by us and, where applicable, restoration of your Account to the state it would have been in had the unauthorised or incorrectly executed Transaction not taken

place, provided you have notified us of the Transaction in question without undue delay and in any case no later than 13 months after the debit date (save where we have failed to provide or make available the required transaction information to you). Any undue delay in making a notification may result in you being liable for any losses as a result.

6.7.4 Subject to section 13.0, you are liable up to a maximum of EUR 50 (or the equivalent in the local currency) for any losses incurred in respect of an unauthorised Transaction arising from:

6.7.4.1 the use of your Account ID Information where these details have been stolen; or

6.7.4.2 where you have failed to keep your Account ID Information safe.

6.7.5 You will not be liable for any losses which arise after you have notified us that you believe any of your Account ID Information has been stolen or might be used in an unauthorised way, as specified in section 13.0.

6.7.6 You shall be liable for all losses incurred in respect of an unauthorised Transaction where:

- you have acted fraudulently;
- you have compromised the security of your Account with intent or with negligence (for example by failing to comply with section 13.0); or
- you have provided any of your Account ID Information to another person who then uses those details to make a Transaction. In these circumstances, we reserve the right to charge you for any reasonable costs that we incur in taking action to stop your Card or Account being used and to recover any monies owed as a result.

6.7.7 A recipient may decline to receive the Payment. In such a case, the Account will be credited in the amount of the Transaction and no fees will be charged.

6.7.8 If you receive funds into your Account that were not intended to be transferred to you, we will be entitled to remove these funds from your Account. We may be allowed to share your personal information with the paying payment service provider so that you can be contacted directly.

7.0 Fees

7.1 Fees payable by you will be deducted from your Account balance and you hereby authorise us to do the same. Transaction fees will be charged when the Transaction is executed. If your Account balance is insufficient to cover the fees, we may refuse to execute the payment or suspend any benefit you are receiving. Reversal or chargeback fees will be deducted when incurred.

7.2 Details of the amount of the administration fee can be found on the [fees](#) page of the Website.

7.3 We reserve the right to change the fees from time to time, in accordance with the provisions of section 16.21 of these Customer Terms. Changes to the reference exchange rate shall apply immediately, without prior notice.

7.4 Additional fees may apply when using an ATM, by the ATM provider.

7.5 If your Account was inactive for a period of 12 months (“Account Inactivity”) we may charge an administration fee (“Inactivity Fee”). We will provide you with a notification one month in advance by email. The Inactivity Fee will be charged annually and will be deducted from the available funds in your Account. If there are insufficient funds in the Account, we will not charge the Inactivity Fee. For additional explanations, see the [fees](#) section on our website.

8.0 Currency Exchange

8.1 When you register your Account, you have the option of choosing from a list of currencies, which will be the currency in which your Account will be denominated.

8.2 If you use your Card or wearable to make a Transaction in a currency other than the issue currency of your Card or wearable, then such a Transaction will be converted to the currency of your Card or wearable on the day we receive final settlement for the Transaction (typically 72 hours after you make the Transaction). You will receive an estimate of the converted amount at the time you make the Transaction, but this may be less, or more, than the final amount deducted from your Account due to exchange rate fluctuations. We will use authorised rates applicable for such a Transaction. A foreign exchange fee will also apply (see the fees section on our Website for further details).

8.3 If you apply for a Card or wearable in a currency that is different to the currency of your Account, all Transactions you make from your Account using your Card or wearable will incur a foreign exchange fee. Any Transaction you make in a currency which is different to both the currency of your Card or wearable and your Account, will incur an additional foreign exchange fee (e.g. you will be charged an exchange fee for the currency conversion from the Transaction currency into the currency of your Card and a further fee for the currency conversion into the currency of your Account). We recommend that you choose the same currency for your Card as the currency of your Account.

9.0 Chargebacks and Refunds

9.1 You may exercise a right to chargeback, if applicable, only in cases of unauthorized use of your Account or a breach of these Customer Terms by MuchBetter. For the removal of doubt, you may not chargeback any Transaction for reasons outside the control of MuchBetter, including, but not limited to, disputes with Merchants. We reserve the right to charge you all the fees and expenses MuchBetter may incur which are associated with such chargeback.

9.2 We may, at our discretion, recover from you such amount which you decide to chargeback. We may do so by re-charging your credit card or bank account. This recovery shall not derogate from any other remedy we may have in accordance with these Customer Terms or any applicable law.

9.3 If you receive a refund for purchases made with your Card or wearable, the refund will be paid to your Account by the end of next business day. For legal reasons, you are not entitled to receive refunds in cash for Transactions made using your Card or wearable.

9.4 You must notify us of any dispute with a Merchant within 180 days of the purchase and chargeback will be applied to your Account if successfully secured from the Merchant through Card; Card issuer (and not MIR) will determine who will win the chargeback. In case of false chargeback claim, we reserve the right to debit your account and charge you any fees we reasonably incur in pursuing the chargeback claim.

10.0 Rewards or Promotional Programs

10.1 We may offer reward programs or other promotional programs from time to time. Such programs will be subject to the program rules. We reserve the right to cancel or amend the terms of any such reward or promotional program at our discretion.

10.2 Each Authorised User can receive a maximum of three rewards from the same merchant per calendar day.

10.3 The rewards are for personal use only. Authorised Users are not allowed to sell the rewards or use

them for any other kind of commercial purposes. We reserve the right to exclude Authorised Users who may be deemed to be abusing the rules of this section and, if necessary, take further legal action.

17.2 If you do, you must keep us informed of any incorrect or unauthorised transactions that happen, so we can take steps to stop further misuse of your payment instrument and arrange any refund you've been entitled to.

17.3 If you are thinking of using a TPP, it is important you check with the regulator whether it is authorised before you use it. Authorised firms can be found on the website of the Bank of Lithuania, following the below links:

In English: <https://www.lb.lt/en/sfi-financial-market-participants>

To do so, we may (for example) send you a text message instead of calling or emailing you, if we think this is the quickest way to contact you. When we contact you, we will also give you information on how you can minimise any risk to your payment instrument depending on the nature of the security threat.

18.2 We'll use the same contact details which you have already provided us with when contacting you. You must inform us immediately if your personal details or contact information change.
